Homework*	100 points
Final Exam (Cumulative)*	<u>350 points</u>
TOTAL	1000 POSSIBLE POINTS

* There will be three 80-min exams offered throughout the semester, and the lowest score will be dropped. Therefore, the highest 2 in-class exams will take up 350 points, which is 35% of your total grade. **Exams will be administrated during the scheduled class period.**

* 13 quizzes will be offered during recitations. Best 10 quizzes will be counted, and take up 200 points, which is 20% of your total grade. **You are only allowed to take the quizzes during your registered recitation section. Quizzes missed (up to 3) for any reason will be counted as the dropped quizzes. The detailed rules for quizzes please follow the recitation instructor.**

*There will be assigned Homework, which takes up 100 points, worth 10% of your total grade. There are 2 parts: **There will be 50 points (5%) worth of ONLINE PRELECTURE Interactive Video Practice (Canvas), 50 points (5%) worth of ONLINE POSTLECTURE Interactive Video Practice (Canvas).**

Homework: Your success in this course is a direct result of working problems. **All the homework assignments are done through Canvas. Late submission won't be accepted. Keeping track of the due dates of all the assignments is student's responsibility.**

Any technical issues (WIFI connection, malfunction of laptop, power problem, etc.) will be student's responsibility.

* Final exam is scheduled by the university on **Thursday, Dec 22, 2022, from 11:45AM to 2:45 PM.** Final exam will be **cumulative (from CH 1 to CH 9)**, which is mandatory. Final exam will take up 350 points, which is 35% of your total grade.

Location: CON 100 and an additional room (will be announced prior to final exam)

Expectations: You are expected to and will need to work a minimum of two to three hours outside of class for every hour in class. We will work through nine chapters this semester and you are required to read 100 – 200 pages per week. Most of the reading will require more than one sitting. You need to be actively engaged as you read. A Chemistry text must be read with pencil/pen and paper in hand, taking notes as you read.

Final Grades will be based on the following scale:

A = 85.00-100
B+ = 80.00-84.99

Accommodation and Support Statement

Rutgers University Newark (RU-N) is committed to the creation of an inclusive and safe learning environment for all students and the University as a whole. RU-N has identified the following resources to further the mission of access and support:

For Individuals with Disabilities: The Office of Disability Services (ODS) is responsible for the determination of appropriate accommodations for students who encounter barriers due to disability. Once a student has completed the ODS process (registration, initial appointment, and submitted documentation) and reasonable accommodations are determined to be necessary and appropriate, a Letter of Accommodation (LOA) will be provided. The LOA must be given to each course instructor by the student and followed up with a discussion. This should be done as early in the semester as possible as accommodations are not retroactive. More information can be found at ods.rutgers.edu. Contact ODS at (973)353-5375 or via email at ods@newark.rutgers.edu.

For Individuals who are Pregnant: The Office of Title IX and ADA Compliance is available to assist with any concerns or potential accommodations related to pregnancy. Students may contact the Office of Title IX and ADA Compliance at (973) 353-1906 or via email at TitleIX@newark.rutgers.edu.

For Absence Verification: The Office of the Dean of Students can provide assistance for absences related to religious observance, emergency or unavoidable conflict (e.g., illness, personal or family emergency, etc.). Students should refer to [University Policy 10.2.7](#) for information about expectations and responsibilities. The Office of the Dean of Students can be contacted by calling (973) 353-5063 or emailing deanofstudents@newark.rutgers.edu.

For Individuals with temporary conditions/injuries: The Office of the Dean of Students can assist students who are experiencing a temporary condition or injury (e.g., broken or sprained limbs, concussions, or recovery from surgery). Students experiencing a temporary condition or injury should submit a request using the following link: <https://temporaryconditions.rutgers.edu>.

For English as a Second Language (ESL): The Program in American Language Studies (PALS) can support students experiencing difficulty in courses due to English as a Second Language (ESL) and can be reached by emailing PALS@newark.rutgers.edu to discuss potential supports.
