

## Declaration or Change of Major/Minor

Instructions for Declaring a Major, Minor, or Second Concentration:

- Bring the form to the department(s) in which you are declaring a major/minor. The department will review your record and approve or decline your request to declare. If you are approved to declare the major/minor, you are required to meet with a faculty advisor or designee at the academic department who will advise you for the major/minor.
- If you are declaring more than one major or minor, make sure you designate both subjects in the appropriate line.
- If you are dropping a major or minor, you do not need an advisor's signature. Simply fill out the form and bring it to the Registrar (Blumenthal Hall, 3<sup>rd</sup> FL).
- *If you are declaring a major in SCJ/SPAA/ or RBS please visit the School to School Transfer application at <http://admissions.rutgers.edu/schooltoschool/>*
- Students may declare a major after they have earned 24 credits, satisfied the Basic Writing Skills and Quantitative Reasoning Core requirements, and earned a minimum cumulative GPA of 2.0. All students must declare a major once they have completed 56 credits. Keep in mind that certain majors may have additional criteria for eligibility to declare.
