

Matriculation Continued Form of the Division of Global Affairs

The Graduate School policy stipulates that students should only be permitted to enroll for two consecutive semesters. This is to ensure that students continue to make satisfactory progress toward the completion of their dissertation and degree program. In order to receive approval for a special permission number for the upcoming and future semesters please provide DGA and the Graduate School with the following information.

If you are requesting a Special Permission Number, please fill out the below form so we can forward it to the Graduate School.
