

# *Optimization of the Chemical Matter and Synthesis Leading to a Ketoheokinase (KHK) Inhibitor Clinical Candidate*

Virtual Seminar and Rutgers University Outreach – Friday, November 6, 11:30 am-12:50 pm

Email: [syb26@newark.rutgers.edu](mailto:syb26@newark.rutgers.edu) for WebEx access link

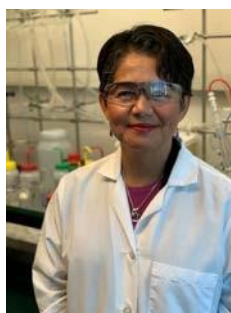

Information on Panel Discussions and 1:1s with Pfizer Colleagues to Follow

**Aaron C. Smith**

Sr. Principal Scientist  
Internal Medicine  
Medicinal Chemistry

**Martha A. Ornelas**

Sr. Scientist in  
Chemical Research &  
Development  
Process Chemistry

**Michael Herr**

Sr. Scientist in  
Chemical Research  
& Development  
Process Chemistry
