

OPEN OFFICE HOURS

at the Mathematics Department

The Mathematics Department is now offering open hours for students in the following courses: *Intermediate Algebra, College Algebra, PreCalculus, Applied Calculus, Calculus I, II, and III.*

OPEN HOURS means you can simply show up at one of the many professor’s office hours and get additional help in your course. Students enrolled in the professor’s course will be given higher priority.

For related questions, please contact Prof. Graziano at vincent.graziano@rutgers.edu
